WHAT YOU'LL WORK ON

# Work That Changes Enterprises

Real projects. Real impact. Real scale.

## Microsoft Dynamics 365 ERP & CRM Implementation

End-to-end deployment of enterprise solutions driving business efficiency.

## Digital Transformation Strategy

Guiding organizations through complete digital overhauls and modernization.

## Business Process Re-engineering & Automation

Optimizing workflows and automating core business functions.

## Cloud Migration & Azure Management

Securely moving enterprise infrastructure to the Microsoft Azure cloud.

## Business Intelligence & Analytics (BI)

Turning raw data into actionable insights with Power BI and advanced analytics.

## Change Management & IT Consulting

Strategic advisory services to ensure smooth technology adoption.

Our clients include Dr. Scholl's, CGI, EY, L&T Infotech, Aurigo, and many more global names.

Why Join ERBrains

# Why ERBrains Is the Right Move for Your Career

Join a team where ambition meets opportunity and innovation drives success.

## Global Exposure

Work on transformative projects across 30+ countries, gaining international experience and cultural insights.

## Fast Career Growth

Thrive in an entrepreneurial, high-velocity environment where performance is rewarded with rapid advancement.

## Continuous Learning

Expand your skills with fully sponsored Microsoft certifications, workshops, and continuous training programs.

## Innovation First

Be part of cutting-edge digital transformation projects using the latest Microsoft technologies and cloud solutions.

## Collaborative Culture

Experience a flat hierarchy with open-door leadership that values every voice and fosters teamwork.

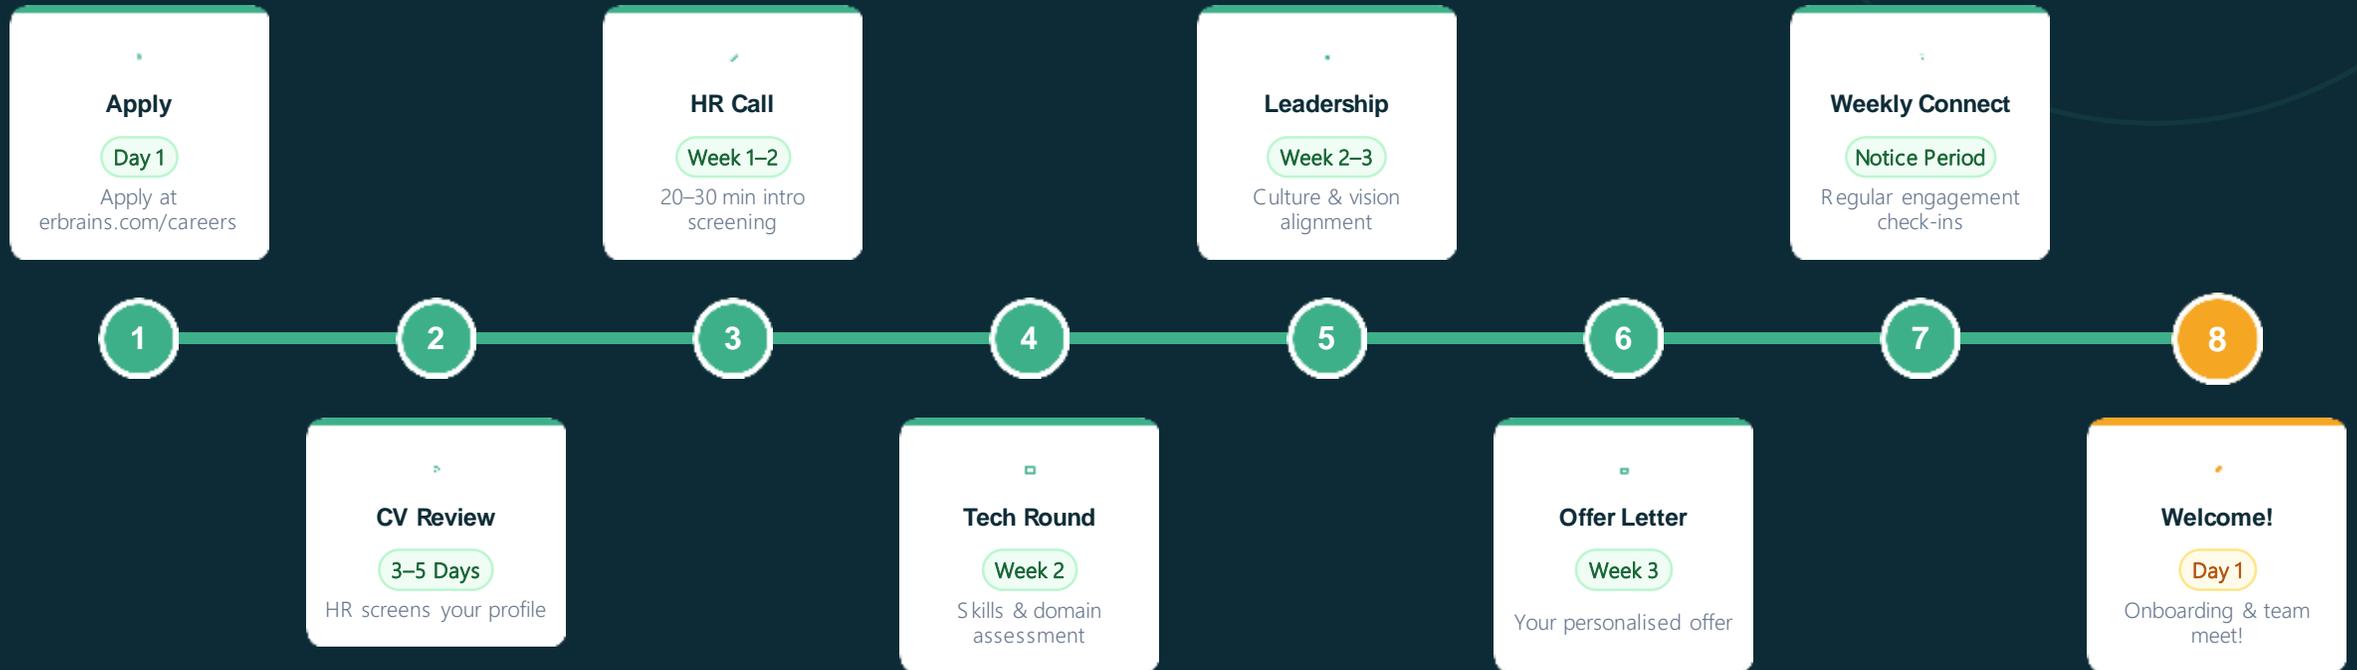

## Industry Recognition

Join an award-winning team with 15+ industry awards and prestigious Microsoft Gold Partner status.

## Recruitment Process

# Your Journey Starts Here

A transparent, straightforward process — because your time is valuable.

## Employee Benefits & Perks

# More Than a Paycheck — The ERBrains Advantage

We invest in our people because our people are our greatest asset.

### Comprehensive Health Insurance

Health

Full medical, dental & vision coverage plus family floater plans for peace of mind.

### Wellness Benefits

Wellness

Mental health support, dedicated wellness programs, and Employee Assistance Program (EAP).

### Annual L&D Budget

Growth

Dedicated budget for professional courses, books, and workshops — entirely on us.

### Microsoft Certification Sponsorship

Growth

100% company-sponsored certifications for Dynamics 365, Azure & Power Platform.

### Flexible & Hybrid Work

Flexibility

Work-from-home flexibility with hybrid arrangements to suit your lifestyle needs.

### Flexible Working Hours

Flexibility

No rigid 9-to-5 schedules. Balance work and life your way with flexible timings.

### International Project Exposure

Global

Work directly with global enterprise clients across 30+ countries worldwide.

### Travel Opportunities

Global

Select roles include visits to our offices in Dubai, Delaware, and Victoria.

### Performance Bonuses

Rewards

Top performers are rewarded with 6-month salary increments and performance bonuses.

### Employee Recognition

Rewards

Star Performer Awards, Spot Bonuses, and monthly shoutouts celebrating success.

### Expert Mentorship

Mentorship

Get paired with industry veterans having 10+ years of expertise for career guidance.

### Vibrant Team Culture

Culture

Regular team outings, festivals, hackathons, and celebrations to keep spirits high.

## CAREER PROGRESSION

# Your Growth is Our Priority

Dual Career Tracks for ERP Deployment Excellence

### **Technical Consultant Track**

Deep technical expertise in system architecture, integration, and customization

### **Functional Consultant Track**

Business process expertise in ERP modules and industry workflows

Both tracks offer:

Microsoft Certifications

Expert Mentorship

Internal Mobility

Performance-Based Fast-Track

Values & Culture

Life at ERBrains

# A Place Where Ambition Meets Opportunity

## Dynamic Work Culture

Thrive in a young, entrepreneurial energy with driven colleagues passionate about technology.

## Global Projects

Gain exposure working with international enterprise clients across 30+ countries worldwide.

## Expert Mentorship

Learn directly from operational experts and industry veterans, not just career consultants.

## Make a Real Impact

Your ideas matter here. Shape the direction of our business and drive tangible results.

*"The future of technology is inspired by reality and built by you."*

## Employee Testimonials

# What Our Team Says

“

*Working at ERBrains gave me exposure to global enterprise projects that I couldn't have gotten anywhere else. The learning here is unparalleled and the environment pushes you to grow.*

**ERP Consultant**  
Bangalore, India

“

*The leadership genuinely cares about your growth. I was mentored by industry veterans and promoted within two years. It's rare to find a company that invests so much in your personal development.*

**Business Analyst**  
Dubai, UAE

“

*ERBrains is where ambition meets opportunity. The work is challenging, meaningful, and the team is exceptional. Every day brings a new challenge that helps me expand my skillset.*

**Senior Consultant**  
Bangalore, India
